The role of IIUG Director involves the compulsory attendance at monthly telephone conference calls for up to one hour in duration; at least two face to face Board meetings of up to 3 days duration plus travel and up to two 4 day conferences plus travel (standard travel costs to IIUG Board meetings and conferences are covered by the IIUG). In addition a Director is required to take an active role in the day to day work of the Board. This will involve reading and replying to emails and completing allocated tasks. The day to day time commitment could be up to 10 hours per week.

By adding my Name and Date to the document below, I confirm that:

1. I understand the time commitment involved with the role IIUG Director and that I can make such a time commitment.
2. Should conference calls or other Board activities occur during work hours, I have the permission of my employer to attend to such calls or work.
3. I agree to represent IIUG Board policy even if you do not personally agree with it.

4. I agree that all Board business including meetings, minutes, emails, reports and discussions are strictly confidential and that I will not discuss IIUG Board business outside of the Board members without specific authorisation from the IIUG President.
5. I understand that all IIUG Board business will be conducted in English and that I need to be able to converse and write fluently in English.
